3:00-7:00 pm

Friday, October 27

No school

Monday, October 30

No School- Teacher In Service

# Clara Peterson Press

With school underway things are quite busy here at Clara Peterson. MAP testing is a measure of student growth that is conducted in the fall, winter and spring. It is a computer based test that accelerates based on each student's knowledge and skills. Please make sure your child gets plenty of rest and a healthy breakfast to help him/ her prepare for these important tests coming up next week. First grade and second grade will complete their testing this week followed by kindergarten next week.

If you are familiar with Clara Peterson you may have noticed that there are a couple new faces in our building. Last spring and over the summer we welcomed new employees to our faculty and staff here at Clara Peterson. We are very proud to have these new faculty members on board with us. Be looking for these names and faces next time you visit the building.

Mrs. Kate Provin, Special Education Teacher  
Mr. Quinton Hatfill, Physical Education Teacher  
Miss Chelsea Neely, School Social Worker  
Mrs. Amanda Lackey, Paraprofessional  
Mrs. Alyssa Vance, Paraprofessional  
Mrs. Kaitlyn Henrichs, Paraprofessional  
Mrs. Donna Howe, Paraprofessional

We have many exciting activities coming up in the month of September. We will celebrate PBL Homecoming with our annual Spirit Week September 25-29. There will also be a Fall Celebration with more details to come, scheduled for October 31.

This school year is starting off great here at Clara Peterson! As always, it has been nice getting to know new students and meeting new parents as well. I look forward to a successful year full of collaboration and communication between the staff, parents and most of all the kids at Clara Peterson!

Sincerely,

Ms. Amanda Wetherell, Principal  
Clara Peterson Elementary School
