- 1.2 The Board agrees not to negotiate or to consult with any other employee organization, individual employee, or group of employees relative to wages, hours, and terms and conditions of employment.

Negotiations Procedures

- 2.1 Negotiations shall be conducted pursuant to the Illinois Educational Labor Relations Act and its rules and regulations.
- 2.2 The parties agree that their representatives shall negotiate in good faith. The Board and the Association will meet for the purpose of discussing and attaining mutually satisfactory agreements on items presented by either party. Each party shall select its own representatives.

Grievance Procedure

3.1 Definition

- A). Any claim by the Association or an employee that there has been a violation, misinterpretation, or misapplication of the terms of this Agreement shall be a grievance.
- B). All time limits consist of school days, except that when a grievance is submitted less than ten (10) days before the close of the current school term, time limits shall consist of all weekdays in order that the matters may be resolved before the close of the school term or as soon thereafter as possible. School days, for the purpose of this grievance procedure, shall mean employee employment days.
- C). Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her supervisor and having the grievance adjusted without intervention of the Association, provided the Association has been notified and the adjustment is not inconsistent with the terms of this agreement. Supervisors shall maintain the same rights concerning the presence of representation at any stage of the procedure.

3.2 The parties hereto acknowledge that it is usually most desirable for an employee and the employee's immediately involved supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the employee, a grievance may be processed as follows:

- A). Grievances must be filed within twenty-five (25) days of the occurrence of the event which initiated the grievance. Failure to do so constitutes a waiver of the right to file for that particular event.
- B). Step One
 - 1). An employee or the Association may present the grievance in writing to the supervisor immediately involved. The immediately involved supervision shall arrange for a meeting to take place within ten (10) days after written receipt of the grievance.
 - 2). The immediately involved supervisor shall provide a written answer of the grievance to the grievant and to the Association within five (5) days of the Step One meeting. The answer shall include the reasons for the decision.
 - 3). If the grievance is not resolved at Step One, then the grievant and/or the Association may proceed to Step Two.
- C). Step Two
 - 1). The grievant and/or the Association shall have seven (7) days from the Step One-2 answer to refer in writing the grievance to the Superintendent or his/her official designee.
 - 2). The Superintendent shall arrange for a meeting with the grievant and the Association to take place within five (5) days of receipt of the written appeal.

- 3). Each party shall have the right to include in its representation such witnesses and counselors as it deems necessary to develop facts pertinent to the grievance.
- 4). The Superintendent shall provide a written answer, with reasons, to the grievance to the grievant and the Association within five (5) days of the Step Two-2 meeting.

D). Arbitration

If the grievance is not resolved at Step Two-4 within the time limits provided, the Association shall have a maximum of thirty (30) days to submit the grievance to arbitration. The American Arbitration Association shall act as the administrator of the proceedings, and they shall be conducted under its rules.

- 1). The arbitrator's opinions and awards shall be final and binding on the Association and the Board.
- 2). The arbitrator shall have no power to add to, subtract from or alter the terms of this Agreement.
- 3). Each party shall bear the full cost for its representation in the arbitration. The cost of arbitration shall be divided equally between the parties.

3.3 If the Association and the Superintendent agree, Steps One-1, 2, and 3 of the grievance procedure may be bypassed and the grievance brought directly to Step Two-1.

3.4 Class grievances involving one (1) or more employees or one (1) or more supervisors and grievances involving an administrator above the building level may be initially filed by the Association at Step Two-1.

3.5 The Board acknowledges the right of the Association grievance representative to participate in the processing of a grievance at any level after filing, if requested by the grievant; and no employee shall be required to discuss any grievance at these steps if the Association's representative is not present.

3.6 The Board and the administration shall cooperate with the Association in its investigation of any grievance; and further, they will, if possible, furnish the Association with any readily available information requested for the processing of any grievance. Cooperation does not include released time for such activity.

3.7 No reprisals shall be taken by the Board or the Association against an employee because of the employee's participation in this grievance procedure.

4.1 Term of the Agreement

The provisions of this Agreement shall become effective on July 1, 2015 and shall remain in full force and effect until June 30, 2018 and shall remain in full force unless either party notifies the other in writing of its desire to modify or terminate this Agreement as provided for in Article II of this Agreement.

Summer school positions shall be filled in the following manner:

- A). Summer school positions shall be filled by the most qualified staff member who applies for the position.
- B). Compensation for summer school will be at the rate of Twenty-Seven and 50/100 Dollars (\$27.50) per hour and shall be paid on the first payroll period that follows the conclusion of summer school classes.

9.8 Full Experience Credit

Each Teacher hired after July 1, 1996, may be awarded less than full credit for teaching experience outside the District with the approval of the Teacher, Association, and Board.

9.9 School Year Salary Schedule

The salary schedule shall be as set forth in Addendum B, which is attached to and incorporated in this Agreement. The schedule shall be based on a one hundred eighty (180) day school calendar, as determined in Article VII, Section 3.

9.10 Pay Days

The regularly established pay dates will be the fifteenth (15th) and thirtieth (30th) of each month. If a regular pay date during the school term falls on a day when school is not in session, Teachers shall receive their direct deposit on the last work day prior thereto.

9.11 Supplemental Jobs - Payroll Procedures

Supplemental pay, as per Addendum C, shall be added to the Teacher's salary and shall be paid in the paycheck each pay period or paid in full upon completion of said assignment, according to the request of the Teacher.

All substitution and any other supplemental pay not covered by Addendum C will be paid twice monthly.

Compensation for all extra-duty jobs listed in Addendum C shall be paid as follows:

Any work performed prior to June 30, 2015 shall be paid according to the previous Collective Bargaining Agreement.

Any work performed between July 1, 2015 and June 30, 2018 shall be paid according to the Addendum C schedules dated July 1, 2015; July 1, 2016; and July 1, 2017.

Retirement IncentiveA). Eligibility

To be eligible for any of the following Plans, a Teacher must meet the following requirements:

- 1). Be at least sixty (60) years of age by the last day of service in the District;
or
- 2). Be at least fifty-five (55) years of age with thirty-five (35) years of creditable service as defined by the Illinois Teacher Retirement System by the last day of service in the District.
- 3). Must have a minimum of ten (10) years of full-time teaching service in the PBL School District.

The District may require proof of eligibility.

Once any employee meets the threshold eligibility requirements as stated above, the employee must retire by the close of the school year that he/she first gains eligibility. The employee must submit his/her irrevocable letter or resignation/retirement to the Board of Education by May 1st of the school year prior to his/her retirement under the one (1) year plan; by May 1st two (2) years prior to his/her retirement under the two (2) year plan; and by May 1st three (3) years prior to his/her retirement under the three (3) year plan. AN EMPLOYEE WHO BECOMES ELIGIBLE CANNOT DEFER ELIGIBILITY TO A FUTURE DATE. ELIGIBILITY OCCURS ONLY ONCE. Failure to retire at the close of the school year the employee first gains eligibility will forever foreclose the teacher from the benefits of the Retirement Incentive provision for the remainder of the employee's employment with the District.

B). Definitions

For purposes of this Article, TRS creditable compensation (earnings) include (but are not limited to):

- Salary for regular contractual teaching duties.
- Wages for substitute teaching.
- Wages for homebound teaching or tutoring.
- Earnings for extra duties performed that relate to teaching or supervision of students, and other assignments related to the academic program.
- Earnings for summer school.
- Bonuses.
- Contributions to qualified plans eligible for tax-deferral under the Internal Revenue Code, Sections 401(a), 403(b), and 457(b).
- Contributions to flexible benefit plans.
- Salary or back wage payments resulting from contract buy-outs, labor litigation, and settlement agreements.

C). Plans

1). One (1) Year Plan

If an eligible Teacher gives the Board an irrevocable letter of retirement prior to May 1 one (1) year prior to the year of retirement stating that he/she shall retire at the end of the next school year, in lieu of the salary increase called for by the collective bargaining agreement then in effect, for the final year of employment the Teacher's TRS creditable earnings shall be increased by six percent (6%) over the Teacher's TRS creditable earnings for the prior year of employment.

Example: A Teacher gives his/her irrevocable letter of retirement prior to May 1, 2016 stating that he/she will retire on June 30, 2017. The Teacher's TRS creditable earnings for the 2015/2016 school year were \$40,000.00. The Teacher's final year, 2016/2017, TRS creditable earnings will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$).

2). Two (2) Year Plan

If an eligible Teacher gives the Board an irrevocable letter of retirement prior to May 1 two (2) years prior to the year of retirement stating that he/she shall retire in two years, in lieu of the salary increases called for by the collective bargaining agreement then in effect, for the final two (2) years of employment the Teacher's TRS creditable earnings shall be increased by six percent (6%) over the Teacher's TRS creditable earnings for the prior years of employment respectively.

Example: A Teacher gives his/her irrevocable letter of retirement prior to May 1, 2013 stating he/she will retire on June 30, 2015. The employee's TRS creditable earnings for the 2012-13 school year were \$40,000.00. The Teacher's TRS creditable earnings for the 2013-14 school year will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$). The Teacher's TRS creditable earnings for the 2014-15 school year will be \$44,944.00 (i.e., $\$42,400 \times 1.06 = \$44,944.00$).

3). Three (3) Year Plan

If an eligible Teacher gives the Board an irrevocable letter of retirement prior to May 1 three (3) years prior to the year of retirement stating that he/she shall retire in three years, in lieu of the salary increases called for by the collective bargaining agreement then in effect, for the final three (3) years of employment the Teacher's TRS creditable earnings shall be increased by six percent (6%) over the Teacher's TRS creditable earnings for the prior years of employment respectively.

Example: A Teacher gives his/her irrevocable letter of retirement prior to May 1, 2016 stating he/she will retire on June 30, 2019. The Teacher's TRS creditable earnings for the 2015/2016 school year were \$40,000.00. The Teacher's TRS creditable earnings for the 2016/2017 school year will be \$42,400.00 (i.e., $\$40,000.00 \times 1.06 = \$42,400.00$). The Teacher's TRS creditable earnings for the 2017/2018 school year will be \$44,944.00 (i.e., $\$42,400 \times 1.06 = \$44,944.00$). The Teacher's TRS creditable earnings for the 2018/2019 school year will be \$47,640.64 (i.e., $\$44,944.00 \times 1.06 = \$47,640.64$).

D). Miscellaneous

Once an irrevocable letter of retirement is submitted, the Teacher will not be assigned any additional extra-duties or TRS reportable duties not currently being performed without the consent of the Teacher.

If after submitting an irrevocable letter of retirement, the Teacher resigns from or is removed from duties for which the Teacher was compensated the previous year (i.e., extra-curricular, extended contract and/or stipends), the Teacher's TRS creditable earnings will be adjusted accordingly.

Example: The Teacher's TRS creditable earnings from the 2015/2016 school year were \$43,000.00, of which \$3,000.00 was compensation for coaching basketball in 2015/2016. Under the Teacher's retirement plan, he/she would be scheduled to receive \$45,580.00 TRS creditable earnings for the 2016/2017 school year (i.e., \$43,000.00 x 1.06 = \$45,580.00). However, the Teacher resigns from his/her coaching position before the start of the 2016/2017 school year. The Teacher's TRS creditable earnings for the 2016/2017 school year will be \$42,400.00 (i.e., \$40,000.00 x 1.06 - \$42,400.00) rather than \$45,580.00.

In the event a Teacher has submitted his/her timely irrevocable letter of retirement but fails to meet the eligibility requirements because of illness or life changing circumstances, the Board, in its sole discretion, may allow the Teacher to rescind his/her letter of retirement, provided the Teacher returns to the Board any TRS creditable earnings paid to the Teacher in excess of the amount the Teacher would otherwise have received under the salary increase pursuant to the collective bargaining agreement.

If legislation is enacted and/or administrative rules are adopted during the life of this agreement that result in a greater cost to the District than the costs generated by this agreement, the provisions relating to such benefits shall be null and void.

9.13 Limitation on TRS Non-Exempt Creditable Compensation

When an Employee has thirty (30) years of TRS credible service, the Employee's non-exempt credible TRS earnings, irrespective of form and no matter how arising, and whether or not arising under this collective bargaining agreement, shall not exceed the amounts specified hereinafter.

No Employee's non-exempt credible TRS earnings shall increase from one school year to the next by more than six percent (6%) or otherwise increase so as to create liability on the part of the Board or District for any portion of an Employee's retirement annuity, or result in any District or Board-paid penalty or fee to TRS.

9.14 Extended Year Contracts

All extended year jobs shall be set forth in Addendum E of this Agreement.

9.15

Understanding of Compensation

All salary or compensation discussed, proposed, and agreed upon in the collective bargaining agreement between Paxton-Buckley-Loda CUSD No. 10 Education Association and Paxton-Buckley-Loda CUSD No. 10 Board of Education are considered to be TRS credible for TRS members, unless otherwise noted (i.e., health insurance, mileage, tuition reimbursement, conference/workshop travel reimbursement).

Educational Support Personnel and Association Rights

10.1 Right to Join

ESPs have the right to join any organization for their professional or economic improvement, but membership in such organizations shall not be required as a condition of employment.

10.2 Discrimination

This Agreement shall not discriminate against any ESP, regardless of membership or non-membership in the Association and/or for the reason of race, creed, color, or marital status, age, sex, or national origin.

The ESP shall be notified in writing within seven (7) days of the addition or deletion of any item to the employee's personnel file.

If, as a result of the enactment of a statute by the Illinois General Assembly, any provision of this Agreement has the effect of reducing or diminishing ESPs' rights or privileges provided in the statute, the statute shall take precedence.

10.5 Dues Deduction

The Board shall deduct from each ESP's pay the current dues of the PBLEA provided that the Board has an ESP-executed authorization for dues deduction, the amount of which shall annually be certified by the Association. Such dues shall be deducted at the option of the ESP in equal payments as per Articles 13.1 and 13.9 of this Agreement, beginning October 1st, provided that the ESP-executed authorizations are turned into the District office by September 15th. All dues deducted by the Board shall be remitted to the Association no later than ten (10) days after such deductions are made.

The use of ESP mailboxes, inter-school mail, and school bulletin boards in the employee lounges for the purpose of internal communications.

- E). Involuntary transfers to be granted release if the ESP so desires.
- F). Transferred ESPs to be given consideration for transfers to other assignments when future vacancies occur.

10.10 Fair Share

- A). Each ESP, as a condition of his/her employment, on or before thirty (30) days from the date of commencement of duties, or the start of a new school year or the effective date of this Agreement, whichever is later, shall join the Association or pay a fair share fee to the Association equivalent to the amount of dues uniformly required of members of the Association, including local, state and national dues.
- B). In the event that the ESP does not pay his/her fair share fee directly to the Association by November 1st of the school year, the Board shall deduct the fair share fee from the wages of the non-member.
- C). Such fee shall be paid to the Association by the Board no later than ten (10) days following deduction.

- D). In the event of any legal action against the ESP brought in a court or administrative agency because of its compliance with this Article, the Association agrees to defend such action at its own expense and through its own counsel, provided:
- 1). The employer gives immediate notice of such action in writing to the Association and permits the Association intervention as a party if it so desires; and
 - 2). The employer gives full and complete cooperation to the Association and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and all appellate levels.
- E). The Association agrees that in any action so defended, it will indemnify and hold harmless the employer from any liability for damages and costs by a final judgment of a court or administrative agency as a direct consequence of the employer's compliance with this Article.
- 1). It is expressly understood that this save harmless provision will not apply to any claim, demand, suit, or other form of liability which may arise as a result of any type of willful misconduct by the Board or the Board's imperfect execution of the obligations imposed upon it by this Article.
- F). The obligation to pay a fair share fee will not apply to any ESP who, on the basis of a bona fide religious tenet or teaching of a church or religious body of which such ESP is a member, objects to the payment of a fair share fee to the Association. Upon proper substantiation and collection of the entire fee, the Association will make payment on behalf of the ESP to a mutually agreeable nonreligious charitable organization as per Association policy and the rules and regulations of the Illinois Educational Labor Relations Board.

10.11 Agenda of Board

The President of the Association shall be given written notice of all regular and special meetings of the Board, together with a copy of the agenda or statement of purpose of each meeting at least twenty-four (24) hours prior to the scheduled time of the meeting.

Just Cause DismissalA). Probationary Status

A probationary ESP is an ESP who is a newly hired ESP, or who is working in the category of position for the first time after July 1, 1995. ESPs shall be deemed on probationary status for the first one hundred twenty (120) working days in which an ESP is employed in a particular category as defined herein.

B). Suspension With Pay

Nothing prohibits the employer from suspending employees with pay pending an investigation of possible employee wrongdoing. Suspensions with pay are not deemed disciplinary.

C). Just Cause Suspension Without Pay

No employee (other than a probationary ESP or non-tenured, certificated teacher) will be suspended without pay or terminated without just cause.

D). Dismissal from Extra Duties

The Board retains the right to dismiss without just cause employees from extra duties listed in Addendum C provided that the employee is given written notice of the reason(s) for the dismissal within five (5) school days after the dismissal action is taken. Any dismissal hereunder is expressly and specifically non-grievable and is excluded from the grievance of this Agreement.

Conditions of Employment

11.1 Break Time

ESPs scheduled to work seven (7) or more hours per day shall be entitled to two (2) paid fifteen (15) minute breaks per day. ESPs scheduled to work fewer than seven (7) hours but more than four (4) hours per day shall be entitled to one (1) paid fifteen (15) minute break per day. ESPs scheduled to work four (4) or fewer hours per day shall not be entitled to breaks.

The administration will meet with representatives of the Association to discuss and prepare a school calendar to be submitted to the Board for adoption. 11.4 Reduction of ESP Staff

1). Definition

Seniority is the length of an ESP's full-time service, starting with the day on which the ESP was hired by Paxton CUSD No. 2, Buckley-Loda CUSD No. 8, Ford Central CUSD No. 8, or Ford-Iroquois Special Education Cooperative if the ESP employed by FISEC was working in District No. 10 at the point District No. 10's withdrawal from FISEC. Date of hire is determined by Board action as reflected in Board minutes. One (1) calendar year of employment shall equate to one (1) year of seniority. Seniority shall commence only upon completion of the probationary period for full-time ESPs, calculated retroactively to date of hire.

For purposes of this Article, the number of hours which constitute full-time employment shall depend upon the category of position. For each category of position, "full-time" shall be the greatest number of hours normally and regularly assigned to ESPs in that category of position.

2). Loss of Seniority

Seniority is lost upon the following:

- A). Resignation
- B). Dismissal
- C). Retirement, or
- D). Expiration of recall rights

3). Retention of Seniority

Continuation of accrual: seniority continues to accrue during the following:

- A). Paid leaves of absence, including an absence paid by worker
- B). Temporary disability under IMRF, or
- C). Any unpaid leave of absence permitted by this Agreement

4). Publication of Seniority List

By February 1st of each year, the Board shall post a seniority list current through the current school year. The Association must submit deletions, additions and corrections to the list by February 15th. A final list will be furnished the Association by March 1st.

5). Reduction in Force Procedures

Other provisions of this Agreement notwithstanding, it is agreed by the parties that in case of lay off, seniority shall apply. A thirty (30) day notice before the end of the term shall be provided any ESP who is reduced in force with the exception of one-on-one ESP student aides. One-on one student aides may be dismissed upon thirty (30) days written notice. ESPs shall be notified by certified mail.

6). Recall from Lay Off

ESPs shall be recalled in reverse order for any vacancies for which they are qualified within two (2) years.

ESPs shall be notified by certified mail, at the last known address, of vacancies for which they are eligible. ESPs shall have ten (10) days to notify the Board of their intentions. Failure to respond within this time limit shall result in termination of all employment rights.

7). Equal Seniority

In case there is a situation where two (2) or more ESPs have equal seniority, continued employment will be determined by the drawing of lots.

11.5 Employee Schedules

Each ESP shall be afforded comparable assignments in so far as is possible and practical.

11.6 Notification of Assignments

All ESPs shall be given written notice of their work assignments for the forthcoming year no later than the end of the preceding school year. In the event changes in such assignments are proposed, the ESP affected shall be notified promptly and consulted. In the event of any emergency situation, the Association shall be notified; and the ESP shall be allowed to resign if such change is not acceptable to him/her.

11.7 Pupil Problems

The parties agree that the ESPs shall have the full cooperation, support, and assistance of the administration in maintenance of the Board Discipline Policy.

The parties agree that the teachers have the primary responsibility for maintenance of discipline within the classroom as prescribed by the Board Discipline Policy.

11.8 Extra Duties

Extra duties shall be defined as any duty outside of the ESP's assignments, with the exception of recess duty.

No ESP shall be required to perform any extra duties on Wednesday evening, all day Sunday, or any other Sabbath day.

The Board shall provide each ESP with a school activity pass which will admit the ESP, spouse, and children through Grade 12 to school activities.

11.9 Board Policy

A copy of current Board policy in all areas will be presented to any new employee on the first day of each school year or upon the commencement of the employee's duties. Employees will be notified of changes in Board policy during the year through memorandum. Copies of the complete Board policies shall be maintained in the Principal's office of each building; any additions or changes in Board policy shall be communicated to the Association within seven (7) days following Board action on the policy. (The Association will be provided a copy of the policy.)

11.10 Paperwork Reduction

No ESP will be required to attend any building meeting, unit-wide meeting, workshop, special education staffing, or in-service training during these early dismissals.

11.11 Medication / First Aid

No ESP shall be required to dispense any medication to students as part of the ESP's normal duties.

11.12 ESP Working Provisions

A). Work Week Definition

The regularly scheduled work week shall not exceed forty (40) hours, excluding a lunch period. This provision shall preclude longer work hours occasioned by special events such as tournaments or extended extra-curricular activities. This provision does not guarantee consecutive hours of work. An ESP who works more than forty (40) hours during a single work week works overtime.

- B). Starting and Stopping Times
Any historical practice to the contrary notwithstanding, the Board may specify work day starting and stopping times for all ESPs.
- C). Overtime
No ESP may work overtime without the approval of his/her non-bargaining unit supervisor, except as otherwise specified in the Collective Bargaining Agreement; and in case of emergency when the supervisor is unavailable, the ESP shall be paid for such overtime as may be necessary under the circumstances to prevent loss or injury to persons or property.
- D). Compensatory Time
With prior approval of the appropriate non-bargaining unit supervisor, ESPs who work overtime may elect to accumulate overtime as compensatory time. Compensatory overtime shall be at the rate of one and one-half (1 ½) times each overtime hour.
Example: An ESP works 41 hours in a work week. The ESP has previously received permission from the supervisor to utilize compensatory time rather than being paid overtime. The ESP is entitled to 1½ hours of compensatory time.
ESPs shall notify their non-bargaining unit supervisors of dates and times upon which the ESP desires to use compensatory time. The Board reserves the right to preclude the use of compensatory time on particular dates based upon the needs of the Board, but approval of compensatory time shall not be unreasonably withheld. No ESP may accumulate compensatory time in excess of forty (40) hours. The ESP shall receive all overtime in excess of such amount as overtime pay.
Example: An ESP has accumulated 26 2/3 hours of overtime. As a result, the ESP is entitled to forty (40) hours of compensatory time. Upon the accumulation of the next hour of overtime, the ESP shall be paid for 1 hour of overtime at the rate of 1½ times the ESP's straight time rate.
- E). Food Service Event Pay
Compensation will be paid at time and a half for Cooks only after thirty-five (35) hours if they are requested to return to work after normal working hours to a scheduled event.

These days may accumulate to ten (10) days. Personal leave days in excess of ten (10) days will be applied to sick leave days.

12.5 Leave Benefits

Any ESP on leave shall be able to maintain his/her school group insurance policy at his/her own expense.

12.6 Professional Leave

With his/her Building Principal's approval, any ESP shall have the opportunity to attend at least one (1) in-state educational conference relative to his/her assignment per year with expenses paid. ESPs may attend out-of-state conferences with the Superintendent's permission.

If the Board requires the ESP to attend any professional meeting, workshop or any other program, the Board agrees to pay all expenses as approved by the Board.

12.7 Jury Duty

Any ESP required to serve on a jury shall suffer no loss in salary or ESP benefits, provided, however, that all monies received, other than actual expenses, shall be turned over to the Board.

12.8 Subpoena Leave

If any ESP has been issued a subpoena to appear as a witness in any school-related proceeding in which the ESP is not a party of interest against the District, the ESP shall suffer no loss in salary or ESP benefits.

On occasions when an ESP is issued a subpoena but the ESP is not required to attend that day, the ESP shall report to work, unless the Superintendent or Building Principal waives the ESP's presence that day due, for example, to the hiring of a substitute ESP.

- B). Teachers may elect to allocate dollars for individual and dependent insurance premiums which exceed the Board's contribution. These dollars shall be deducted before taxes are figured on income, thus making these elected amounts non-taxable.
- C). Any ESP who qualifies for IMRF [six hundred (600) hours minimum] shall be entitled to benefits as provided in Paragraphs A and B of this Section 13.3.

13.3 Tuition Reimbursement

ADDENDUM A

Teacher Evaluation

1). Purpose

The purpose of the teacher evaluation program is to provide a system for measuring teacher effectiveness, a means for Teacher self-appraisal, and an aid in helping the Teacher strive for constant improvement without undue pressure. Teacher evaluation should be a continuous process and learning experience for the teacher. The evaluation of certified staff shall follow the procedures required by the Illinois School Code and any applicable regulations of the Illinois State Board of Education. In any situation where the procedures stated in this Agreement are in conflict with the relevant statute or regulation, the statute or regulation shall govern.

2). Evaluation of Teachers

The evaluation of a Teacher should and will be a joint venture between the Teacher and the evaluator. The evaluation cycle will be one (1) school year for non-tenured teachers and two (2) school years for tenured teachers. The Teacher will be informally and formally observed throughout the evaluation cycle and will be provided a summative rating utilizing the Danielson Framework for Teaching as modified by the parties hereto. Nothing in this Agreement shall prohibit a principal from evaluating any Teacher in his/her first year as a principal of a building. Nothing in this Agreement shall prohibit any qualified evaluator from performing Teacher evaluations.

3). Informal Observations

Non-tenured and tenured Teachers will be informally observed a minimum of one (1) time per semester before a summative evaluation can be given. Teachers may request informal observation(s). Evidence collected by the evaluator during an informal observation to be used in the summative evaluation will be shared, in writing with the Teacher within seven (7) school days. A post-observations conference will occur if requested by either the Evaluator or the Teacher. The Teacher will have the right to attach a written response to informal observations that are used toward the summative rating.

4). Formal Observations

Non-tenured teachers will be formally observed at least once per semester, and tenured Teachers will be formally observed at least once every two (2) school years. Formal observations will be a minimum of one (1) class period, forty-five (45) minutes, or the length of one (1) unit lesson. All teachers are expected to study the teacher evaluation forms. Before the formal observation, the teacher will complete the pre-observation Form A, meet with the evaluator, and provide a lesson plan and objectives. A post-observation conference must occur within seven (7) school days of the formal observation. The Teacher must complete the post-observation Form B prior to the post-observation meeting. A copy of the evaluator's written observation summary will be given to the teacher no later than three (3) working days prior to the post-observation conference. Teachers will have the right to attach a written response to formal observations. There shall be no additional forms required that are not in the evaluation tool.

5). Summative Evaluation Conference

A summative evaluation conference will be held between the Evaluator and Teacher only after completing all observation requirements for the evaluation cycle. The evaluation conference may coincide with the formal observation post-conference only if agreed upon by both the Teacher and the Evaluator. A draft copy of the summative evaluation shall be given to the Teacher at least three (3) working days before the summative evaluation conference. A summative evaluation rating will be provided on Form C: Summative Evaluation Form. The Teacher has the option to attach additional comments to Form C. Any tenured Teacher who has received a “Needs Improvement” or “Unsatisfactory” summative rating shall have a Professional Development Plan (PDP) or a Remediation Plan (RD) as required by law.

6). Non-Grievability

The parties agree that all ratings, observations (formal and informal), summative ratings, summative evaluations, and the contents of any professional development or remediation plan are expressly and specifically non-grievable and are excluded from the grievance article of this Agreement.
