

PBL Eastlawn Supplemental Educational Services

As a result of the federal No Child Left Behind Act of 2001, your child can receive extra help in the areas of math, reading, and language arts. You can receive this free tutoring if your student's school is in its second year or later of school improvement (the school has not made adequate yearly progress on state tests for at least three years), and your family meets the income limits under the law (free/reduced lunch). During the 2013-2014 school year, Eastlawn School is required to offer these services. If your student attends Eastlawn, you should have received a [Supplemental Educational Services Letter](#).

You can choose a free tutoring program that is best for your child. A [list of approved tutoring programs](#) in your area along with a description of their program is listed. These programs have been approved by the Illinois State Board of Education.

When deciding which tutoring program is best for your child, you may want to consider these questions:

- **When and where will the tutoring take place (at school, community center)?**
- **How often and for how many hours in total will your child be tutored?**
- **What programs, by grade levels and subject areas, are available for your child?**
- **What type of instruction will the tutor use (small group, one-on-one, or the computer)?**
- **What are the tutor's qualifications?**
- **Can the tutor help if your child has disabilities or is learning English?**
- **Is transportation available to and from where the tutoring will take place?**

If more students request tutoring than can be served through available funding, priority will be given to low-performing students as determined by the district.

Please call Tara Tighe, Title Director, 217-379-3314, or Barry Wright, Eastlawn Principal, 217-379-2000, if you have any questions about these services. If you would like to take advantage of these services and your student qualifies, please fill out the [provider selection form](#) and return it to your child's school through your child or yourself. Applications are due by January 10, 2014. You will receive notice from the tutoring program provider telling you when the free tutoring will start.
